

# SMASH EDO

## *Summer Action Camp 27th-30th August Brighton*

**DIRECT ACTION  
AGAINST THE WAR MACHINE**

- \* ACTIONS AGAINST EDO MBM
- \* WORKSHOPS ON EFFECTIVE CAMPAIGNING

**EDO MBM Brighton are a unit of a US Corporation, EDO Corp, producing military components for the US, UK and Israeli armed forces.**

Smash EDO are ordinary people who object to those who profit from murder. We are determined that our town will not be used as a base for the manufacture of weapons.

Smash EDO Protest Camp 2007 will be a chance for us to work together to close down these criminals for good...

We will not stop until we have closed the factory down. The closure of EDO MBM will send shockwaves through the UK and US arms industries.

**WE ARE WINNING! - JOIN US!**

**Every Wednesday!** Noise Demonstrations at EDO MBM, Home Farm Road, Brighton. 4-6pm
